* If the entry in column 1 is less than the entry in column 2, enter '0' in column 2.

* If the "Highest Number Previously Paid For" (37 CFR 1.16(c)) is greater than your entry in column 3, enter '0' in column 3.

* If the "Highest Number Previously Paid For" (37 CFR 1.16(c)) is less than your entry in column 3, enter '0' in column 4.

The "Highest Number Previously Paid For" (37 CFR 1.16(c)) is determined by the highest number paid for in the application or continuation application or divisional application or reissue application or reexamination proceeding. This includes all money claimed and submitted during the application or continuation application or divisional application or reissue application or reexamination proceeding, including all claims, drawings, and other papers filed or submitted during the application or continuation application or divisional application or reissue application or reexamination proceeding.

The collection of additional fees required by 37 CFR 1.16(c) is determined by the highest number paid for in the application or continuation application or divisional application or reissue application or reexamination proceeding, including all money claimed and submitted during the application or continuation application or divisional application or reissue application or reexamination proceeding, except for amounts paid for in the application or continuation application or divisional application or reissue application or reexamination proceeding which were later disallowed or otherwise removed from the application or continuation application or divisional application or reissue application or reexamination proceeding.

If the application or continuation application or divisional application or reissue application or reexamination proceeding contains multiple independent claims, the "Highest Number Previously Paid For" (37 CFR 1.16(c)) is determined by the highest number paid for in the application or continuation application or divisional application or reissue application or reexamination proceeding, including all money claimed and submitted during the application or continuation application or divisional application or reissue application or reexamination proceeding, except for amounts paid for in the application or continuation application or divisional application or reissue application or reexamination proceeding which were later disallowed or otherwise removed from the application or continuation application or divisional application or reissue application or reexamination proceeding.
